Dear colleagues,

**Re:** Composition of the SPRFMO Performance Review Panel

I am pleased to inform you that - as a result of the second round of voting - the last candidate for the SPRFMO Article 30 Review Panel has now been selected and that the appointees therefore are the following persons (nominated by): Prof Stuart Kaye (Australia), Dr Patricio Bernal (Peru), Dr Keith Sainsbury (New Zealand) and Ms Alexa Cole (USA).

The Secretariat will now inform the selected Panel members of the desire of the Commission to appoint them for the Review Panel, requesting their commitment to comply with the terms of Decision 6-2018 and seeking their positive response.

I thank you all for your collaboration in this matter.

Sincerely yours,

Oswaldo Urrutia  
Chairperson of the Commission
