

## CMM 3.03 Compliance and Monitoring Scheme

### ANNEX II: Provisional template for the Implementation Report on Implementation of the SPRFMO Conservation and Management Measures

Reporting Member/CNCP: COLOMBIA  
Calendar Year to which this report refers: 2015  
Date report prepared: 28/04/2016

#### **CMM 1.02 Gillnets in the SPRFMO Convention Area (download)**

1. Members shall require that vessels flying their flag prohibit the use of large-scale pelagic driftnets and all deep-water gillnets in the Convention Area.

*Please describe how this requirement has been implemented*

Non-Applicable. Colombia currently has no fishing vessels flying its flag harvesting marine resources in the Convention Area managed by the SPRFMO.

*Have any of your vessels transited the Area while carrying gillnets? YES  NO*

*(If so, was 36hrs advance notice given YES  NO ,  
did the vessels operate a VMS YES  NO  Partial ,  
were VMS reports submitted YES  NO  Partial  and  
were any Gillnets lost overboard YES  NO ?)*

*(refer Paras 2a, b, c & d)*

Click here to enter text.

**CMM 1.04 Vessels presumed to have carried out IUU fishing activities in the SPRFMO Area (download)**

*Did you transmit a list of presumed IUU fishing vessels to the Secretariat? YES  NO*

*If so, did you inform the relevant flag state before, or at the same time as, transmitting the list? YES  NO*

Non-Applicable

*Were any of your flagged vessels on the draft IUU list? YES  NO*

*If so, did you notify vessel owners and inform them about the potential consequences? YES  NO*

Non-Applicable.

*Were any of your flagged vessels on the final IUU list? YES  NO*

*If so, did you notify the vessel owners and inform them about the consequences of inclusion? Also what measures were taken to eliminate these IUU activities?*

Non-Applicable.

*Did you enforce any of the measures described under paragraph 12? YES  NO*

*If so, please elaborate.*

Non-Applicable.

**CMM 2.01 *Trachurus murphyi* (now CMM 3.01) (download)**

Do your vessels fish for *T. murphyi* in, or adjacent to, the Convention Area? YES  NO   
 If yes, then please complete the following tables and questions:

**Table 1: CMM 2.01 Effort Management**

Gross Tonnage (GT) Limit	GT of Active fishing vessels	Number of vessels actively fishing for CJM	Number of vessels only engaged in Transshipment(s)
0	0	0	0

Enter n/a if not applicable.

**Table 2: CMM 2.01 Catch Management**

CJM catch limit	CJM catch limit taking into account any catch transfers	Provisional CJM catch total
0	0	0

**Table 3: CMM 2.01 Data collection and reporting**

Number of Monthly reports provided	VMS implemented and data provided?	List of authorised vessels provided?	Annual report provided to SC?	Observer coverage level
0	YES <input type="checkbox"/> NO <input checked="" type="checkbox"/> Partial <input type="checkbox"/>	YES <input type="checkbox"/> NO <input checked="" type="checkbox"/> Partial <input type="checkbox"/>	YES <input type="checkbox"/> NO <input checked="" type="checkbox"/>	n/a

Do you have additional measures that limit the amount of *T. murphyi* available to your vessels to an amount less than that specified in Table 2 above (refer para 8)? YES  NO   
 If so, please elaborate

Non-Applicable

Did you conduct any research or stock assessments for *T. murphyi* during this past year and were they submitted to the Scientific Committee? YES  NO

Non-Applicable

Did any of your vessels land or tranship *T. murphyi* within your ports and did you take measures to verify those catches? YES  NO

Is any part of your national jurisdiction area adjacent to the Area to which CMM 2.01 applies? YES  NO

If so, have you decided to apply the measures described in Para 11 -22 within your national jurisdiction areas? YES  NO  Partial

Also, have you submitted measures in effect for *T. murphyi* within your national jurisdiction areas to the Secretariat? YES  NO

Non-Applicable

**CMM 2.02 Standards for the Collection, Reporting, Verification and Exchange of Data (now CMM 3.02) ([download](#))**

**Table 4: Participation in SPRFMO fisheries during the past year**

<i>Fishing method</i>	<i>Activities undertaken?</i>	<i>Main species?</i>	<i>Number of vessels</i>	<i>Activities observed?</i>
<i>Demersal Drop/dahn line</i>	None	n/a	0	n/a
<i>Demersal Longline</i>	None	n/a	0	n/a
<i>Demersal Potting</i>	None	n/a	0	n/a
<i>Demersal Trawl</i>	None	n/a	0	n/a
<i>Pelagic Purse seine</i>	None	n/a	0	n/a
<i>Pelagic Trawl</i>	None	n/a	0	n/a
<i>Squid jigging</i>	None	n/a	0	n/a
<i>Transshipment</i>	none	n/a	0	n/a

*Were you able to meet the data collection requirements described in paragraphs 1(b) (c) and (d)? (Being information on fishing activity, non-target species impacts and transshipments/landings) YES  NO  Partial*

Non-Applicable

*Do you have a national observer programme YES  NO , and if so have you submitted an annual observer implementation report to the Secretariat? YES  NO*

*Note this section could be expanded to include the observer implementation report.*

We do have a National Observer Programme, but it does not include the SPRFMO Convention Area, bearing in mind Colombia currently has no fishing vessels flying its flag harvesting marine resources in the Convention Area managed by the SPRFMO.

*Have you implemented systems to ensure that all of your vessels that fish in the Convention Area have an operational VMS system (that conforms to the requirements in Paras 3(b) and 3(c)? YES  NO*

Non-Applicable

*Please describe the systems you use to verify your SPRFMO fishery data.*

Non-Applicable

**CMM 2.03 Bottom fishing in the SPRFMO Convention Area**  
**(download)**

Do you fish in the Convention Area using bottom fishing methods? YES  NO

If yes, then please complete the following tables and questions:

**Table 5: Management of Bottom Fishing and Fisheries**

Bottom fishing assessment submitted?	2002-06 Bottom fishing footprint submitted?	Bottom fishing restricted to footprint?	2002-06 average annual catch (t)	Provisional catch total for last year (t)	Observer coverage level (Trawl)	Observer coverage level (other)	Number of VME encounters above the threshold	Number of monthly reports provided
YES <input type="checkbox"/> NO <input type="checkbox"/>	YES <input type="checkbox"/> NO <input type="checkbox"/>	YES <input type="checkbox"/> NO <input type="checkbox"/>						

Have you prohibited your vessels from participating in bottom fishing activities in the Convention Area, except when in accordance with this measure? YES  NO

Have you established threshold levels for VME encounters? YES  NO   
 If so what are they?

Non-Applicable

Also, do you require your vessels to cease fishing operations within 5 miles of any site where threshold levels are exceeded? YES  NO

Have you divided your footprint into sub-areas for the purposes of preventing significant adverse impacts to VMES? YES  NO . If so, please elaborate.

Non-Applicable

Do you have additional measures that apply to your bottom fishing vessels in the Convention Area? YES  NO . If so, please elaborate.

Non-Applicable

Have you identified any sites within the Convention Area where VMEs are likely to occur? YES  NO

If so have you provided this information to the Secretariat? YES  NO

Have you taken steps to ensure that your bottom fishing vessels are able to comply with all of the requirements detailed in paragraph 24? YES  NO

Non-Applicable

Are you aware of any non-member (or non- CNCP) that has recently bottom fished in the Convention Area? YES  NO .

And if so, did you communicate a request to them to cooperate and to consider participating in the work of SPRFMO as a matter of priority? YES  NO

Non-Applicable

**CMM 2.04 Minimising bycatch of seabirds in the SPRFMO Convention Area (download)**

Are your vessels required to implement appropriate seabird mitigation measures while fishing in the Convention Area? YES  NO

Do you have any vessels which are exempt from applying seabird mitigation measures? YES  NO  . And if so, when was the last time these vessels were reviewed?

Non-Applicable

Do you require your observers to record seabird interactions? YES  NO   
If so, are the records in accordance with CMM 2.02 and is the resulting data reported to the Secretariat? YES  NO

Non-Applicable

**Table 6: Seabird mitigation measures in Demersal Longline**

<i>Biological discharge during shooting/hauling prohibited?</i>	<i>List of Seabird mitigation measures used in SPRFMO Area</i>	<i>Observer coverage level<sup>1</sup></i>	<i>Number of Seabird captures</i>	<i>Approximate seabird mortality rate (per 1000 hooks observed)</i>
YES <input type="checkbox"/> NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/> NO <input checked="" type="checkbox"/>	0%	0	0%

**Table 7: Seabird mitigation measures in Trawl Fisheries**

<i>Number of vessels that do not discharge Biological material</i>	<i>Number of vessels discharging Biological material</i>	<i>List of Seabird mitigation measures used in SPRFMO Area</i>	<i>Observer coverage level<sup>2</sup></i>	<i>Number of Seabird captures</i>	<i>Approximate seabird mortality rate (per tow observed)</i>
0	0	0	0%	0	0%

<sup>1</sup> Provided as a percentage of number of hooks

<sup>2</sup> Provided as percentage of number of tows

**CMM 2.05 Commission record of Vessels authorised to fish in the Convention Area (download)**

*Describe how you take into account the vessel and operator compliance history when considering whether or not to authorise a particular fishing vessel.*

Non-Applicable

*Describe the measures you have taken to ensure that you are able to take effective enforcement actions against the owners of vessels flying your flag should the need arise.*

Non-Applicable

*Do you maintain your own register of fishing vessels for the SPRFMO Area and does it contain all the necessary information (as described in Annex 1 of the measure)?*

YES  NO

**Table 8: Vessel data submission summary**

<i>Number of vessels authorised to fish in the SPRMO Area</i>	<i>Number of new authorisations within past year</i>	<i>Number of revoked authorisations within past year</i>	<i>Authorisation details submitted to Secretariat?</i>	<i>Number of Active fishing vessels*</i>	<i>Number of vessels only engaged in Transshipment(s)*</i>
0	0	0	YES <input type="checkbox"/> NO <input checked="" type="checkbox"/>	0	0

*\* These numbers may be equal to or larger than the figures provided in Table 1.*

**CMM 2.06 VMS in the SPRFMO Convention Area (download)**

At this time, this CMM does not have readily measurable implementation requirements.

**CMM 2.07 Minimum Standards of inspection in Port (download)**

Are your have ports able, or expected, to receive SPRFMO-managed species? YES  NO   
If so please complete the following table and questions.

**Table 9: Implementation of Port Standards**

<i>Point of Contact transmitted to Secretariat?</i>	<i>Designated port list provided to Secretariat?</i>	<i>Number of foreign fishing vessels seeking to use port services</i>	<i>Number of foreign fishing vessels denied entry</i>	<i>Number of inspections</i>	<i>Percentage of foreign landings /transhipments inspected</i>
YES <input checked="" type="checkbox"/> NO <input type="checkbox"/>	YES <input checked="" type="checkbox"/> NO <input type="checkbox"/>	0	0	0	0

*Do you have sufficient capacity to conduct inspections in every designated port?*  
YES  NO

The National Authority for Fisheries and Aquaculture (AUNAP) has recently provide a list of Colombian Designated Ports to SPRFMO Secretariat, as follows: For Colombian Caribbean Coast: Cartagena, Barranquilla and Santa Marta, and for Colombian Pacific Coast: Buenaventura.

As Colombian Points of Contact, AUNAP has appointed Dr Sergio Gomez and Dr Javier Plata from the Fisheries and Aquaculture Research Office (OGCI), and whose detailed information has been included in an additional letter requested by the SPRFMO Secretariat.

*Do you require foreign fishing vessels to provide the information prior to any landing or port transhipment? YES  NO  If so, does that information comply with paragraph 11?*  
YES  NO

We do require foreign fishing vessels to provide the information prior to any landing or port transhipment complying with the information listed in Paragraph 11 of the CMM 2.07 - Conservation and Management Measure on Minimum Standards of Inspection in Port

*Is the notification period for a foreign fishing vessels port request different than 48 hours?*  
YES  NO  . If so, please elaborate.

Click here to enter text.

*Did you receive any requests from other Members, CNCs or relevant RFMOs to inspect particular vessels? YES  NO  . If so, please elaborate.*

Click here to enter text.

*Did you encounter any difficulties with the inspection procedures described in paragraphs 17-21? YES  NO  . If so, please elaborate.*

Click here to enter text.

*Did any of your inspections discover evidence that a SPRFMO had occurred? YES  NO*   
*If so, did you encounter any difficulties with the infringements procedures described in paragraphs 22-25? YES  NO*

*Have you provided (or received) any assistance as described under Paragraph 26? (Being the development of capacity, facilitation of participation and assessment of requirements for developing members and CNCPS) YES  NO*

In this regard, AUNAP is deeply interested in getting the Colombian Port Inspection strengthened through international cooperation, as well as being able to take part in training programmes of relevant and international organizations that promote the effective development and implementation of a system of port inspection, including monitoring, control, and surveillance, enforcement and legal proceedings for possible infractions pursuant to CMM 2.07 - Conservation and Management Measure on Minimum Standards of Inspection in Port.
