## List of vessels having actively fished or been engaged in transshipment of *Trachurus murphyi* within the Convention Area during 2013

*Secretariat*

---

### INTRODUCTION

The Conservation and Management Measure for *Trachurus murphyi* (from 1 Feb 2013) contains the following paragraph within its data collection and reporting section:

**Paragraph 18:**

The Executive Secretary shall report annually to the Commission on the list of vessels having actively fished or been engaged in transshipment in the Convention area during the previous year using data provided under the Data Standard.

The following list is based upon monthly catch returns which have been submitted to the Secretariat up to, and including, October 2013.

The same information is also available via the SPRFMO website:
