1. 2020 List of Authorised Vessels (including Active and Transhipping vessels)

Paragraph 12 of CMM 05-2019 (Record of Vessels) requires the Executive Secretary to maintain a Record of Vessels authorised to fish in the Convention area, and to make a summary of the Record publicly available on the SPRFMO website. This Implementation report continues a series of annual reports (e.g. CTC7-Doc 08_rev1).

1.1. Current Vessels Authorised and Active in the SPRFMO Area

Table 1 summarises the vessels that are currently on the Record of Vessels by Member/CNCP and also shows (based on VMS data) which vessels by type were present in the SPRFMO Area during 2020. Table 1 shows that, as at 4 December 2020, the Record of Vessels contained 1 832 vessels of which 1 242 were authorised and that during 2020, a total of 589 vessels from the SPRFMO Record of Vessels entered the SPRFMO Area.

1.2. Complete SPRFMO Record of Vessels

Tables 2 and 3 show the complete list of vessels that were on the SPRFMO Record of Vessels, as at 4 December 2020. Table 2 (beginning page 3) shows all vessels that were Authorised as of 4 December 2020, while Table 3 (beginning page 52) shows vessels that were not currently authorised. Note that not all fields from CMM 05-2019 (Annex 1, para 2) are shown.

Paragraph 13 of CMM 05-2019 requires that the Record indicate which of the authorised vessels have been actively fishing in each year. In the case of vessels involved in the Trachurus murphyi fishery this information is available 20 days from the end of each month and so is presented for 2020. During 2020, only 1 vessel actively fished1 for Trachurus murphyi in the Convention Area. For vessels involved in other fisheries this information is available on an annual basis, within 30 days of the end of the year and so is presented for 2019. In 2019 8 vessels were involved in bottom fisheries while 456 vessels conducted squid fishing operations in the SPRFMO Area.

The Record of Vessels is also publicly available via the SPRFMO website:
https://www.sprfmo.org/web/public/vessel
