

SCIENTIFIC WORKING GROUP - SPFMRO

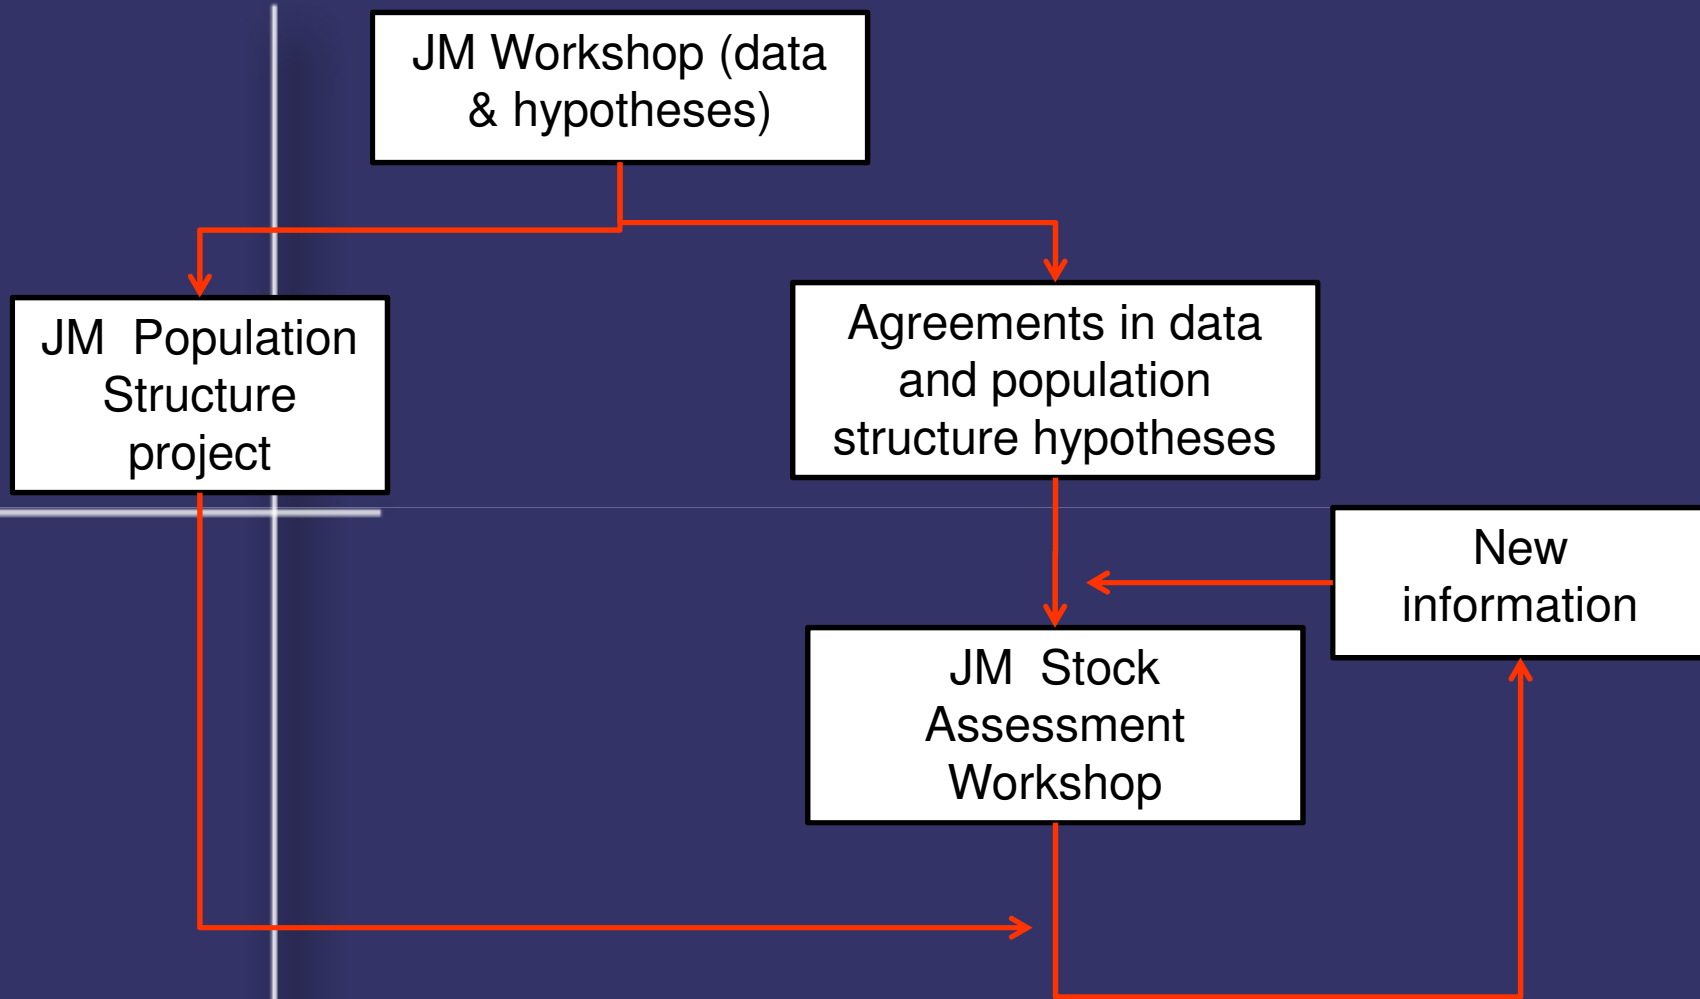

Progress on the  
Chilean Jack Mackerel Workshop  
(CHJMWS)

Guayaquil, Ecuador, March 2007

# Perspective view

# Objectives

- To review all available information for south Pacific jack mackerel, and to develop a working hypothesis / hypotheses regarding jack mackerel stock structure in the region
- To review available data and information available for use in jack mackerel stock assessments, and to agree on data inputs, biological parameters and assumptions to use in joint stock assessments of the jack mackerel stocks discriminated under the working hypotheses developed at the workshop
- To review and finalise the project proposal prepared by the Jack Mackerel Stock Structure Task Team

# FAO Support

**FAO accepted to support this workshop in the next terms:**

- **To facility conference room, in [FAO-Building](#), Santiago, Chile**
- **To Chair (Mr. Jorge Scirke or Mr. Kevern Cochrane)**
- **Partial financial support**

## Date

**Since 30 June to 4 July, 2008.**

## Experts

The experts were contacted considering their scientific contributions in different main areas.

- Dr. James Ianelli (NOAA, USA) - Stock Assessment
- Dr. Tore Stroemme (IMR, Norway) – Surveys&Acoustics
- Dr. Pablo Abaunza (HOMSIR, Spain) - Population Structure

## Secretary issues

Undersecretariat for Fisheries, Chilean Government

## Submitting abstract / [Call for papers](#)

- **Abstract are due by May 30, 2008**
- **Documents must be based on data analyses**
- **Documents must be focused to stock assessment and population structure aspects:**
  - - **Review the data and information for stock assessment**
  - - **Documents with useful information for JM population structure discussion**
- **JM Structure project proposal (finalized)**

## WEB site

- **In the official SPRFMO WEB site**

## Financial support

- **FAO will finance the costs to China, Peru and Russia**
- **FAO will finance the coffee break and documents edition**
- **FAO will finance the Chair**
- **We have an offer from Dr. Ad Corten (EC) to support this WS with EU 10.000. (app. to finance one and half expert)**

# Lack on financial support

- **Financial for 1-2 expert more (trip, hotel, food)**
- **Financial for scientific delegates**
- **Translation**
- **Secretary issues**
