

10TH MEETING OF THE SCIENTIFIC COMMITTEE

26 - 30 September 2022, Seoul, Korea

SC10 – Doc03_rev7 SC10 List of Documents *Secretariat*

SC10 Documents		
SC10-Doc01_rev1	Provisional SC10 Agenda	Secretariat
SC10-Doc02	Annotated SC10 Agenda	Secretariat
SC10-Doc03_rev7	SC10 List of Documents	Secretariat
SC10-Doc04_rev1	SC10 Meeting schedule	Secretariat
SC10-Doc05	2023 Multi Annual Work Plan	Secretariat
SC10-Doc06_rev1	2022 intersessional SC web meetings	Secretariat
SC10-Doc07	Secretariat's Science related activities	Secretariat
SC10-Doc08	Status of the SC (scientific support) fund	Secretariat
SC10-Doc09	Call for interest to organise forthcoming SC meetings	Secretariat
SC10-Doc10	A summary of current SPRFMO bycatch records (Including species of concern)	Secretariat
SC10-Doc11	Proposed Guidelines for SC Working and Task Groups	Secretariat
SC10-Doc12_rev1	Scope and application of the Exploratory Fisheries CMM	Secretariat
SC10-Doc13	Patterns in species composition associated with targeting jack mackerel, redbait and/or alfonsino	SC Species Composition Task Group
SC10-Doc14	Russian Federation Annual Report	Russian Federation
SC10-Doc15	United States of America Annual Report	United States
SC10-Doc16	Vanuatu Annual Report	Vanuatu
SC10-Doc17	New Zealand Annual Report	New Zealand
SC10-Doc18	Panama Annual Report	Panama
SC10-Doc19	Korea Annual Report	Korea
SC10-Doc20	European Union Annual Report	European Union
SC10-Doc21	China Annual Report - Squid	China
SC10-Doc22	China Observer Implementation Report	China
SC10-Doc23	Chile Annual Report - Jack Mackerel	Chile
SC10-Doc24	Chile Annual Report - Squid	Chile
SC10-Doc25	Chinese Taipei Annual Report	Chinese Taipei
SC10-Doc26	Peru Annual Report - SPRFMO Area	Peru
SC10-Doc27	Peru Annual Report - ANJ	Peru
SC10-Doc28	Australia Annual Report	Australia
SC10-Doc29	Electronic Monitoring Systems in Chile	Chile
SC10-Doc30	Importance of the Salas y Gómez and Nazca ridges	Chile

Jack Mackerel Working Group		
SC10-JM01_rev1	CJM Catch history and predicted 2022 catches (Annex1_rev1)	Secretariat
SC10-JM02	CPUE standardization for the offshore fleet	European Union
SC10-JM03	Comparison of EU self-sampling and observer data	European Union
SC10-JM04	Pelagic Freezer-trawler Association self-sampling report	European Union
SC10-JM05	CPUE abundance index in south-central Chile - Update and proposed correction	Chile
SC10-JM06	Upgrade of Chilean jack mackerel growth model	Chile
SC10-JM07	Modelling the growth of Chilean jack mackerel considering the effect of age-specific sample size	Chile
SC10-JM08	Population genetics of Chilean jack mackerel in the South Pacific Ocean	Chile
SC10-JM09	Space-time dynamics of the Jack mackerel fishery off south central Chile 2012-22	Chile
Deepwater Working Group		
SC10-DW01_rev1	Orange roughy stock assessment for Louisville Ridge, West Norfolk Ridge, Lord Howe Rise, and Northwest Challenger Plateau	New Zealand
SC10-DW02	Interactions with marine mammals, seabirds, reptiles, and other species of concern	New Zealand
SC10-DW03	Development of a process to review all recent and historical benthic bycatch data	New Zealand
SC10-DW04	Further analysis of VME indicator taxa catchability and the design of a related research programme	New Zealand
SC10-DW05	Further development of VME indicator taxa distribution models	New Zealand
SC10-DW06	Development of VME taxa identification guides for benthic bycatch	New Zealand
SC10-DW07	Progress report on NZs Exploratory fishery for toothfish	New Zealand
SC10-DW08	Exploratory toothfish survey report	European Union
SC10-DW09	Exploratory toothfish fishery report	Chile
Squid Working Group		
SC10-SQ01_rev2	Update of Squid Datasets held by the Secretariat	Secretariat
SC10-SQ02	Simulation study on observer coverage rate in the squid jigging fishery - update	China
SC10-SQ03	CPUE Estimation Based on different Effort Units for the Squid Jigging Fisheries	China
SC10-SQ04	Stock assessment of the jumbo flying squid based on a Bayesian state-space production model	China
SC10-SQ05	Population genetics of <i>Dosidicus gigas</i> along South Pacific Ocean	Chile
SC10-SQ06	Alternative Observer Programme for Peruvian Artisanal Vessels	Peru
SC10-SQ07	Proposed changes Jumbo flying squid species profile	Chile
SC10-SQ08	Proposed changes to jumbo flying squid species profile	Peru
SC10-SQ09_rev1	Results of genetic population studies of jumbo flying squid collected in Peruvian jurisdictional waters	Peru

Habitat Monitoring Working Group		
SC10-HM01	Abundance of jack mackerel and mackerel in the Peruvian Current in the Humboldt System between 2020 and 2022	Peru
SC10-HM02	Jack mackerel and Chub mackerel habitat off Peru 2020-22	Peru
SC10-HM03	List of classified vessels according to their capabilities of collecting acoustic data	Peru
SC10-HM04	Spatial distribution and biomass estimate of Chilean jack mackerel off South-central Chile	Chile
Observer Papers		
SC10-Obs01	Comment on aspects of Scientific Committee workplan	HSFG
SC10-Obs02	CPPS Proposed joint Workplan under the SPRFMO-CPPS MoU	CPPS
SC10-Obs03	Regional stock assessment of the flying jumbo squid in the South-Eastern Pacific	CALAMASUR
Information Papers		
SC10-Inf01	South EPO Swordfish Benchmark Assessment in 2019	IATTC
Late Papers*		
SC10-Doc31	Ecuador Annual Report - Jack Mackerel	Ecuador
SC10-Doc32	Ecuador Annual Report - Squid	Ecuador
SC10-Doc33	Cook Islands Annual report	Cook Islands
SC10-Doc34	Faroe Islands Annual report	Faroe Islands
SC10-SQ10	First attempt to apply the Stochastic Production model in Continuous Time (SPiCT) to <i>Dosidicus gigas</i> in FAO area 87	Chile
SC10-SQ11	Importance of onboard scientific observers monitoring and managing the Jumbo Flying Squid fishery in SPRFMO	Ecuador
SC10-SQ12	Population Genetic Analysis of Jumbo Flying Squid	Korea
SC10-Obs04	The Deep-sea Fisheries under the Ecosystem Approach Project – an update (FAO)	FAO
SC10-SQ13_rev3	Proposed changes to the jumbo flying squid species profile	Squid WG

**All late papers were accepted by the Scientific Committee*
